

- Ability to work well under pressure, meeting multiple and sometimes conflicting deadlines
- Ability to demonstrate cooperative behavior with colleagues, customer, vendors and supervisors
- Ability to provide exceptional customer service to clients & co-workers alike

Physical demands and work environment:

The physical demands and work environment characteristics described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may enable individuals with disabilities to perform the essential functions.

Physical Demands:

While performing the duties of this job, the employee is occasionally required to walk; sit; use hands to finger, handle or feel objects, tools, or controls; reach with hands and arms; stoop, bend, lift, kneel; talk or hear. There will also be regular lifting 75 pounds or more over your head for an extended period of time, and potential exposure to hazardous materials. Specific vision abilities required by the job include close vision, distance vision, color vision, peripheral vision, depth perception, and the ability to adjust focus. Working for prolonged periods of time in confined spaces performing diagnostic work.

Work Environment:

While performing the duties of this job, the employee is exposed to weather conditions prevalent at the time including extreme weather conditions. The noise level in the work environment is usually moderate to loud on a job site. The employee will be exposed to dark and confined spaces, wet, muddy and odorous conditions, extreme temperatures, extreme weather, and heights and work that is below ground.

I have received, reviewed and fully understand the job description for Plumber Apprentice. I further understand that I am responsible for the satisfactory execution of the essential functions described therein, under any and all conditions as described.
